

We asked our pupils what they enjoyed about learning foreign languages.

This is what they said:

“there are all sorts of fun games incorporated in the lessons”

“we do lots of different activities”

“all the fun games help us remember”

“there is lots of interactive learning”

“there is a better atmosphere than in other classes”

“working in groups helps me learn”

**“using the show me boards is fun
and they help us remember”**

**“working in pairs is a really good
way to learn”**

“French is world-class!”

“we love the buzzers”

“I would definitely recommend it”

“it’s challenging but rewarding”

**“there is plenty of feedback on
classwork and homework so we
are always learning”**

“the different websites we use are good for learning and revision”

“the homework is enjoyable and varied”

“I have learned a lot without realising it”

“you don’t feel like you are being pounded by knowledge but you end up knowing lots”

“being able to speak another language is really cool”

“we don’t just write all the time, we have fun”
